Donna Fargo is one of the most prolific songwriters in Nashville and a former English teacher. With her writings, she taps into that ""sensitive place from where feelings come, as they are born and sculptured in the private confines of the heart."" It is her hope that those who read and share her words will become connected in a more meaningful way.

Another beautiful collaboration between Donna Fargo and Blue Mountain Arts!!!! This 2016 calendar has stunning illustrations that emphasize the prolific writings of singer/songwriter/authoress, Miss Donna Fargo. This calendar complements Fargo's current book by the same namewhich I have ordered previously. Long after the months of 2016 have gone by, each writing and illustration will make framed beautiful wall hangings in my home. After receiving this calendar, I now see I will need to order several more for myself and friends and family.I'm so excited! I just received my SECOND order of Donna Fargo's 2016 calendar from .com today. Can't wait to give them to friends for their birthdays coming up soon. I'm giving them the new calendar and an autographed copy Donna's current book by the same name.

This is a beautiful calendar. I bought as a Christmas gift for my Aunt but quickly came back to

purchase several others once I saw how well received it was. Donna Fargo has written and produced a stunning work of art that captures one's thoughts and emotions so perfectly. God has blessed her with a gift and I am glad she has shared it in this wonderful calendar. This is well worth the cost and I couldn't be more thrilled with this purchase quality and content.

WOW! One amazing calendar with such beautiful writings that will touch each and everyone's heart. This lady is not only a wonderful writer but a very talented singer. After researching her, she is well known for her pop/country single "Happiest Girl in the Whole USA." If you have not heard it, I advise you to check it out; as well as some of her other writings. Her book "Ten Golden Rules for Living in This Crazy World" is a book that everyone can relate to. Way to go Ms. Fargo!!!

A beautiful Calendar filled with beautiful words by an incredible person!! Love the book and the calendar!! As I have said before and I will say again if you need an encouraging word to help get you through the day then read one of Donna's powerful poems. They are very uplifting and exactly what you would expect from "The Happiest Girl In The Whole USA"! I highly recommend this book and calendar to anyone or to anyone looking for a great gift to give a special person to let them know you care!

There aren't any photos in it. Don't know about you, but I like to see different photos for each month. Takes out the monotony.

It is a very beautiful calendar, as everything that Donna Fargo does. I Love it. Thank you Donna!!
Very uplifting
