Precious Remedies Against Satan's Devices

Synopsis

Thomas Brooks was born in 1608. He entered Emmanuel College, Cambridge, in 1625, where such New England Puritans as Thomas Hooker, John Cotton, and Thomas Shepard were also educated, but he appears to have left before graduating. Brooks was ordained as a preacher of the gospel in 1640 and became a chaplain to the parliamentary fleet, serving for some years at sea. That ministry is mentioned in some of his "sea-devotions" as well as his statement: "I have been some years at sea and through grace I can say that I would not exchange my sea experiences for England's riches."

Customer Reviews

Thomas Brooks, A. W. Pink, Jonathan Edwards, J. C. Ryle, Charles H. Spurgeon, A. W. Tozer, E. M. Bounds and Oswald Chambers (all of these for about \$1.00). Simply unbelievable as these are the spiritual giants of earlier eras!

This book was recommended by one of the pastors that leads my fellowship group. It's a little difficult to rate a book written mostly in Olde English. But, this book was so profound! It's so relevant - it reminded me that Satan uses the same devices to tempt us, because humankind has fallen for the same traps throughout history! There are many Scripture quotations that drive home each point the author makes, which I found useful. I often would stop reading the book and look up the passage in my bible, then think "Ahhh, I see"...this book has been very helpful in keeping me focused in my daily walk.

Not an easy read, but worth reading through to the end. Though written over 300 years ago, I came across truth after truth that is just as, or maybe even more, applicable today as ever. I especially appreciated his section addressing divisions and conflicts between Christians and the final "10 Helps" listed at the very end. I also discovered more personal application in this book than I expected. I look forward to thanking Mr. Brooks in person one day for writing such a powerful book. "My desires to you are--that you would make it your business to study Christ, His Word, your own hearts, Satan's plots, and eternity--more than ever." Amen.

Clearly.....we need more bread and butter staple truths such as these!!!!!!!!!!!!!! There is something very important and worth hearing.....in the ancient paths $\tilde{A}f\hat{A}\phi\tilde{A} \hat{a} \rightarrow\tilde{A} \hat{A}$ We are in fact.....called rather to walk in them instead of the wider ones that call to us. So much warfare in the spirit is because of an appeal to our flesh.....lets die more.....and enter into His Rest $\tilde{A}f\hat{A}\phi\tilde{A} \hat{a} \rightarrow\tilde{A} \hat{A}$

Brooks is an amazing communicator of biblical truth. His excellent use of scripture is refreshing in modern day church culture. The systematic breakdown of Satan's methods and the ways in which Christians can combat them, makes this book a great study tool.

Amazing insights and timely, at any period of time, perhaps more so now than ever. A clarion call to personal responsibility for spiritual growth/protection while, at the same time, highlighting the over-riding necessity of running to the infinite protection, and absolute loving lordship over us, of God.

Can be a little strange for the modern reader but the principles contained are rock solid.

Ok.
