Brett Favre (Blue Banner Biographies) (Blue Banner Biographies)

Synopsis

For a kid who grew up pitching baseballs for five years on his high school varsity team, it's surprising that Brett Favre would spend his college and professional careers playing football. Favre is considered one of the best football players in NCAA history. Drafted by the Atlanta Falcons in 1991 and by the Green Bay Packers one year later, he has become one of the most notable football players in the NFL. Life hasn't been easy for this successful quarterback. An addiction to prescription painkillers, deaths of family members, destruction from hurricanes, and his wife's battle with cancer prove that even the greatest heroes have their struggles. Yet despite family tragedies and more than seventeen years worth of multiple injuries, Favre has managed to stay strong mentally and physically. Read the story of a legend, from birth through his tearful NFL retirement!

Heidi Krumenauer began writing newspaper articles as a teenager. She continues to write in addition to working full-time in management with a Fortune 400 insurance company. She has written more than 1,000 articles and has contributed chapters to eight books. Her first book, *Why Does Grandma Have a Wibble?*, was released in 2007. She is also the author of *Rihanna* and *Sean Kingston* for Mitchell Lane Publishers. Heidi and her husband, Jeff, are raising their two sons, Noah

and Payton, in Southern Wisconsin.

The reason for the one star is I was very disappointed in this book. I have many books on Brett Favre. I did not read it..just returned it. I believe there were only 26 pages. I felt this was very pricey for the cost of the book. Could really not recommend it.

Great!
