Highland Settler; A Portrait Of The Scottish Gael In Nova Scotia (Canadian University Paperbacks)

Synopsis

In this book Professor Dunn tells of the experiences of the many Gaelic-speaking people of the Highlands and Western Islands who emigrated from Scotland to North America between the end of the eighteenth and the middle of the nineteenth centuries, and their descendants in Nova Scotia. He has consulted with care and thoroughness many sources. He has read local histories and sought out scarce Gaelic song-books, pamphlets, and periodicals. He has also observed personally the folkways of the descendants of the Highland settlers and recorded the results of his meeting with professors, teachers, doctors, priests, ministers, farmers, fishermen, and housewives sympathetically and vividly. He has tried to answer the question, What does emigration do to a folk-culture? And he has tried to do so, as far as possible, in the words of his informants. In the course of the book he has provided many examples of writing in Gaelic, with English translations, so that the reader may discover at first hand how closely life and language are related for the Highland settler.

Book Information

Series: Canadian University Paperbacks

Paperback: 192 pages

Publisher: University of Toronto Press (June 1953)

Language: English

ISBN-10: 0802060943

ISBN-13: 978-0802060945

Package Dimensions: 8.9 x 5.9 x 0.8 inches

Shipping Weight: 10.4 ounces

Average Customer Review: 5.0 out of 5 stars 2 customer reviews

Best Sellers Rank: #3,795,864 in Books (See Top 100 in Books) #89 in [Books > Travel > Canada > Provinces > Nova Scotia](#) #2084 in [Books > Travel > Canada > General](#)

Very good service, very interesting book! Since I am Scottish and I love Nova Scotia I have enjoyed reading it!

Highland Settler, with its look into the difficulty of life of the Scots, driven from their land by the English, is a memorable look into frontier life (to the recent past) of an honorable people. The struggles against trees; the pride and perseverance; the discrimination. It's described in this well written documentary, sadly out of print. It also gives me an appreciation of my forefathers in this new land. Dr. P.J. Deason
