Customer Reviews

Our school does the online curriculum, but we homeschool & this is a great guide to make sure we cover all of the school curriculum concepts. Wish there was an answer key tho....

Good luck obtaining the 6-year license. NOTHING arrived but the book. Despite calling customer service, chatting with customer service online, still no answer to my question. I am connected with a person in Asia who has no knowledge of this item and reads from a script. My advice....DO NOT BUY THIS LICENSE.
